THE WOOD INDUSTRY.

GUPTA TIMBERTRADER PVT. LTD.

ABOUT US

Gupta TimberTrader Pvt. Ltd. is a reliable trader and manufacturer in the wood industry. Our company founded in 1976 expanded the business in the years that followed to offer high quality wood. Customers can avail from us Pine Wood Timber, Teak Wood Logs, Meranti & Pine Boxes, among others. Our company since the very first day of establishment is striving to be the best at what the founder and employees know best wood trading. We have developed strategic relationships with our customers and suppliers, which are mutually beneficial for everyone involved.

GUPTA TIMBERTRADER PVT. LTD.

COMPANY PROFILE

Gupta Timber Trader Pvt. Ltd., is a trading and manufacturing company that deals in timber and other wood & wooden products. Formed in the year 2010, the importer in the prime location of New Delhi, India, can make available Wood of different kinds, from Pine Boxes, Teak Wood to Meranti & Pine Boxes. Each kind of wood has its own advantages and disadvantages, based on which customers have to select for their applications. We also deal in Timber Products, and Plank, which can be used in carpentry and in the construction of homes, ships and other structures. Apart from using roads and expressways for the delivery to customers within the city and Delhi NCR regions, we take National Highways to reach to customers in far-away locations.

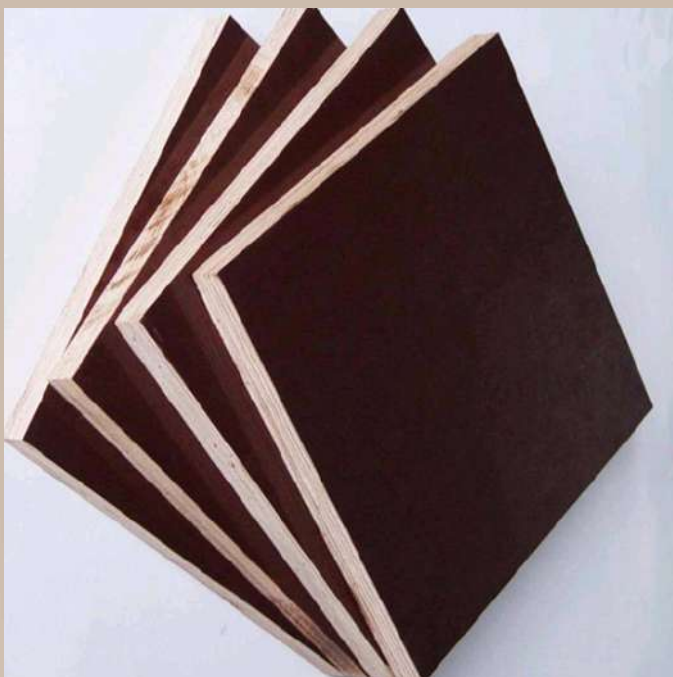

EXPERT WORKERS

We are taking advantage of being located in a city also called the largest commercial city in northern India- New Delhi. There are many wood processing companies in the city, and we have been associated with some of these who can supply us timber, plank, pine wood, and teak wood in quantity we demand.
